The screenshot displays the PMI CCRS interface. At the top, there is a navigation bar with links: myPMI, Membership, Certification, Professional Development, Get Involved, Business Solutions, PMBOK® Guide and Standards, Knowledge Center, and Marketplace. Below this, the user's PMP® status is shown as 'In good standing'. The main heading is 'Continuing Certification Requirements System', with a sub-heading 'Earn and report professional development units (PDUs) within your certification cycle to maintain your credentials.' There are buttons for 'Become a member of PMI' and 'Ignore'. A search section titled 'ACTIVITY AND PROVIDER SEARCH' includes a dropdown for 'Activities' and a 'Search' button. Below the search is a section for 'PDU Activity as of 7/18/2013', with links for 'Report PDUs', 'Printable Transcript', and 'Printable PDU Category Caps and Rules'. A disclaimer states: 'This information is only intended for Project Management Institute (PMI) use. It is not intended for any other academic/development evaluation as the items it contains are based on PMI credential holder submissions.' The 'My Name' field is empty, and the 'My PMI ID' field is circled in red. A callout box with an arrow points to this field, containing the text '您的 PMI ID 号码'. At the bottom, there is a 'Progress Toward Recertification' section with a bar chart showing '60.00 Required' and '1.00 Applied' for the current cycle dates of 3/27/2013 - 3/26/2016.
